THE UNDER SECRETARY OF DEFENSE
WASHINGTON, D.C. 20301

W/D

5 JAN 1978

MEMORANDUM FOR THE EXECUTIVE SECRETARY, NATIONAL FOREIGN INTELLIGENCE
BOARD

SUBJECT: Proposed DCID 1/XX, "Uniform Procedures for Administrative
Handling and Accountability of Sensitive Compartmented
Information (SCI)"

Reference is made to your memorandum of 21 December 1977 regarding
the above-mentioned subject.

My only comment with respect to the proposed DCID 1/XX is that it does
not take into account the promulgation of the new Executive Order soon
to replace EO 11652. Indeed, the latest draft of the Order imposes
new requirements on the DCI to review and approve "special access"
restrictions, i.e., compartments, on a periodic basis. The new
Order would obviously require some revision of the proposed DCID, if it
were adopted now.

A more prudent course would be to delay action on the proposed DCID
until the new Executive Order on security classification has been issued.
At that time an analysis should be made of any changes in the proposed
DCID necessitated thereby.
